How to order bowel cancer screening kits

1. Log into the National Cancer Screening Register Healthcare Provider Portal using either your:

- Provider Digital Access Account (PRODA) account (if you don't have one, follow the steps online to make [PRODA account](#))
- Medicare Provider Number or
- State and Territory Access Number / Register Identifier Number (STAN/RIN)

2. Click the iFOBT Bulk Order button at the top of the screen

3. Click Start order

4. Fill in the details including:

- Clinic name and phone number (your name and clinic address will automatically be filled out)
- How many kits you would like to order? (the recommended number of kits is 30)

To order more than 30 kits you will be asked to select a reason. This helps the National Cancer Screening Register understand how large orders of kits will be used.

- How many health professionals are you ordering for?
- How many kits you currently have in stock?
- **Click** next.

5. Confirm your order (if you wish to edit your order select the 'go back' button on bottom left of screen).

6. Click Submit and an order number will appear. Kits can take up to 21 days to be mailed.
